Syrian Army Kills 38 In North, Reports Say

By LIAM STACK

Security forces appeared to redeploy from other towns to join the latest front in the harsh crackdown on a three-month-old popular uprising against the government.

5 American Soldiers Are Killed in Iraq

By JACK HEALY 7:06 AM ET

The military released no details on the attack, which came as Iraqi leaders debate whether to ask some American troops to remain after a scheduled pullout.

The Weak Foundations of Arab Democracy

By TIMUR KURAN

The chronic weakness of civil society suggests that viable Arab democracies will not emerge any time soon.

GRAPHIC: Up From the Saudi Arabian Desert

In the empty desert, Saudi Arabia is building entire cities envisioned as spaces for education, industry, living, and more importantly, as islands from which social change might seep out, without antagonizing fundamentalist forces within the country.
